1. **Background to the National Research Foundation and its business units**

The National Research Foundation ("NRF") is a juristic person established in terms of section 2 of the National Research Foundation Act, Act 23 of 1998. The NRF is the government’s national agency responsible for promoting and supporting research and human capital development through funding the National Research Facilities and science outreach platforms and programs to the broader community in all fields of science and technology, including natural science, engineering, social science and humanities.

iThemba LABS (Laboratory for Accelerator-Based Sciences) is a multi-disciplinary research laboratory based at two sites in the Western Cape and Gauteng respectively. These sites provide facilities for:

- Basic and applied nuclear physics research using particle beams
- Particle radiotherapy for the treatment of cancer
- The supply of accelerator-produced radioactive isotopes for nuclear medicine and research

2. **Context: where and how intended to be used**

iThemba LABS provides research platforms to pure and applied research and development in Accelerator Based Sciences. The key stakeholders of iThemba LABS have a legitimate expectation of state-of-the-art equipment that is well maintained and reliable, as well as efficient service delivery and expert in-house support.

The Aerosol Based Fire Suppression System is required to safeguard critical areas and systems from fire damage and provide a safe working environment to individuals who occupy these environments.

3. **Objective of the bid**

iThemba LABS, as a national facility of the National Research Foundation, seeks to appoint a service provider to supply and install the Fire Suppression System in designated areas at iThemba LABS, Faure, Cape Town, according to the specifications provided in this BID.
Scope of Works/Services to be rendered

The Aerosol Fire Suppression System must meet with the following requirements:

1. The system must be clean and environmentally friendly leaving little to no residue if used.
2. The product must be ISO 14001 and SABS certified.
3. System must not negatively impact on electronics or human presence.
4. The system must contain no pyrotechnics or be classified as a pyrotechnic product.
5. The system must be relatively maintenance free for a period of up to 12 years minimum.
6. The system must be compatible with our existing Emergency Control Panel.
7. The system must also be able to operate as stand-alone units.
8. The system must be able to activate either through an electrical signal or thermal signal.
9. The system must have an operation span of -50 degrees Celsius to +250 degrees Celsius and be able to function in any work environment (Workshops, Server Rooms and Laboratories).
10. The system must be effective against all basic classes of Fire.
11. The system must be checked annually by the Service Provider.

4. Designated Areas

The designated areas in which the Aerosol based Fire Extinguishing system will be installed are as follows:

Phase One

1) Separated Sector Cyclotron Area (SSC AG1): 2560M³

Phase Two

1) Server / Electronics Room (G16): 410.86M³
2) Server / Electronics Room (G10): 122.40M³
3) Server / Electronics Room (G14): 201M³
4) Server / Electronics Room (G12): 79.20M³
5) Server / Electronics Room (G20B): 302.40M³
6) Server / Electronics Room (G20A): 352M³
7) Server / Electronics Room (G22): 65M³
8) SPC1 Control Room: 222.75M³
Phase Three

1) SPC2 Control Room: 246.71M³
2) SPC2 Polarized Ion Source Vault: 73.28M³
3) SPC2 Polarized Ion Source Control Room: 80.43M³
4) ECR Control Room: 67.35M³
5) ECR Power Supply Room: 148.92M³
6) Storage area (J6): 168M³
7) External Chemical Storage Area: 30M³

6 Quotation Details

A detailed quotation will be provided for each area where an installation is required taking into account all equipment and consumables to be used during the installation, safety equipment, and an estimated time frame.

7. Removal of existing HALON and CO2 System

The successful bidder will be required to remove and dispose of the current, non-functional HALON suppression system and the CO2 deluge system installed throughout site in the phases.

8. Safety, Health and Environmental Requirements

1) The successful bidder will be required to provide a safety plan with regards to the installation of equipment.
2) All contractors / Sub contractors will be required to attend Safety Induction training facilitated by iThemba LABS before starting any work at the facility.
3) All equipment used to perform work will be subjected to inspection by the Safety Department of iThemba LABS.
4) The iThemba LABS will be provided with disposal certificates for any hazardous items removed from site.
9 Site Visit/Clarification Meeting

A Site visit will be required where all bidding companies will have a chance to view the designated areas and ask questions relevant to the project. Site layout drawings can be provided if required. The Site Visit/Clarification Meeting will be held on the 1st of September 2016 at 11:00 am at iThemba LABS, Faure, Cape Town.

10. Bidders Capability and Capacity

Bidders for this tender shall provide the following:

10.1 A portfolio of projects covering a similar scope and works (restricted to a minimum of 3 projects).

10.2 A list of at least 3 (three) contactable written references to be contacted for quality of work delivered.

11 Contract Management

The award of this contract to the selected Service Provider establishes the master contract between iThemba LABS and the appointed Service Provider. iThemba LABS issues an official Purchase Order for the specified quantity per product/service description and required delivery date at the predetermined unit price set out in this document to the contracted service provider. All such purchase orders issued are in terms of this master contract and GCC. The appointed service provider reports directly to the appointed iThemba LABS Project Manager. All contractors / Sub contractors will be required to attend Safety Induction training facilitated by iThemba LABS before starting any work at the facility. All equipment used to perform work will be subjected to inspection by the Safety Department of iThemba LABS. The iThemba LABS will be provided with disposal certificates for any hazardous items removed from site.

11.1 Scope of work for warranty

The supplier agrees to provide the buyer with a two year warranty after installation and commissioning date. Supplier should be available for assistance at no cost to the buyer during the period of warranty if problems arise in the operation. This paragraph has to be read together with paragraph 4.

11.2 After sales support, contacts and communication

If during the warranty period the equipment is not in working order, or not working satisfactorily owing to faulty material, design or workmanship, on notification the supplier will take immediate steps to rectify the defects and/or replace the affected parts on site and on own expense.

The supplier must describe how they will ensure that the reported defects will be corrected and a plan of action should be drawn up that will guarantee that the repairs will be done in a reasonable period of time as agreed by both parties.

11.3 Opening Meeting

After award the supplier must ensure that the infrastructure complies with the necessary norms for the installation and commissioning of the equipment supplied according to the original requirements, specifications and safety regulations.

A meeting between the supplier and the project managers at iThemba LABS shall take place to confirm that all specifications comply with finally agreed specifications as given in paragraph 4 as well as to make sure that all standards conform to international and South African regulations.
11.4 Service and Replacement of Units

In the event that a Generator or Unit is activated and needs to be replaced, the appointed service provider will replace the expelled unit with the specified replacement unit at the agreed upon price. Quotations must be issued first for the replacement unit and iThemba LABS will issue an Official Purchase Order for the replacement.

12 Payment Intervals

Only invoices supported by delivery validation documents, approved by National Research Foundation and the supplier, are accepted. Such invoices will be paid 30 days from statement date.

Invoices shall be submitted to iThemba LABS. Representatives of iThemba LABS will validate that delivery of goods/works/services has been made and at the required quality and on time. No invoices for outstanding goods or services.

13 Penalties

iThemba LABS shall apply a monetary penalty based on the contract price and calculated using the current prime interest rate for every day of late delivery of goods or services. (Refer to Clause 22 of the General Conditions of Contract (GCC) of the National Treasury).

Any damage by the contractor or their agents, to poles, fencing, gates, paving and whatever other property within the Project Boundaries, howsoever caused, shall be repaired by the contractor at the contractor's cost.
**15 Pricing Schedule for the Duration of the Contract (Standard Bidding Document SBD3.1)**

(Standard Bidding Document 3.1) (Fixed Price Contract)

**NOTE** Only firm prices will be accepted. Non-firm prices (including prices subject to rates of exchange variations) will not be considered

Price quoted is fully inclusive of all costs including delivery to the specified NRF Business Unit geographical address and includes value-added tax, pay as you earn, income tax, unemployment insurance fund contributions and skills development levies.

Detailed information is optional and is provided as annexures to the details provided below.

No changes or extensions or additional ad hoc costs are accepted once the contract has been awarded.

Bid price to be quoted in South African Rand (ZAR).

Pricing is subject to the addition of Preference Points as stipulated in Section 23 below - Standard Bidding Document 6.1 Preference claim form.

OFFER TO BE VALID FOR 150 days FROM THE CLOSING DATE OF BID.

16. Selection and Awarding of Contract

16.1 This bid is evaluated through a two stage process

Stage 1 – Technical Evaluation
(Envelope One: Technical)
- Bidders bid response / submission is evaluated against the bid invitation specifications as well as the bidder’s capacity and capability.
- Evaluation is made in accordance to published evaluation criteria and the scoring set for each criterion.
- All qualifying bidders are shortlisted for the awarding stage.

16.2 Stage 2 – Price Evaluation (Envelope Two: Pricing)

- Bidders are compared on a fair and equal basis taking into account all aspects of the proposals.
- The award criterion are:
  - **Price** – with the lowest priced bid on an equal and fair comparison basis receiving the highest price score as set out in the 2011 Preference Regulations.
  - **Preference** – preference points as claimed in the preference claim form are added to the price ranking scores and the highest combined score is nominated for the contract award.
  - **Administration** - Contracts are awarded where bidders have supplied the relevant administrative documentation especially the tax certificate.

The bid evaluation committee will, after the closing date, evaluate all submitted proposals' technical envelopes containing the technical information first.

Only those bidders that achieve the minimum competence/delivery level as set out in this bid are evaluated in the second stage (Price and Preference).

The minimum competency level for the technical evaluation is for bidders to score at least **seventy (70%)** on the technical evaluation.

The Total Technical Points Scored is the total of the evaluations scored per category multiplied by the weighting percentage for each category expressed as a percentage of the Total Technical Points. Each evaluator’s percentage thus calculated are aggregated and divided by the number of evaluators to establish an overall percentage mark.

16.3 Technical Evaluation Criteria

Total Evaluation Score. \[= \frac{[\text{Score} \times \text{weighting} \times \text{No of Evaluators}]}{[\text{Maximum Score} \times 100 \times \text{No of Evaluators}]}\]

Example Total Score – \[\frac{[(3 \times 40 \times 4) + (4 \times 30 \times 4) + (5 \times 30 \times 4)]}{[5 \times 100 \times 4]} = \frac{[1560]}{[2000]} = 78\%\]

The following scoring system is utilised for this evaluation setting the points to be awarded and what this represents for each criteria in the matrix or to the entire matrix:

17. **Contract Management**

The award of this procurement is only completed once the contract or the contract form (SBD7) has been signed by the NRF and the appointed supply provider.

The contract is inclusive of work, supplies and services and contract conditions as specified in this document. Where the nature and quantity of supplies are not determinable at the commencement of this contract, this is detailed in the specification section. Where supplies delivered quantity is variable as and when required, this is detailed in the specification section.

All supplies required in this procurement contract are supplied in accordance with the following sub-process of:

- Request a detailed quotation/information/up to date information of the supply required,
- Evaluation of the supply quotation/information received against the contract and the as and when required requirements as specified on the request for information,
- Where necessary, request either further detail ,
- Where necessary, negotiate upon value of supply quoted, and
- The issue of an official Works/Supply Instruction Purchase Order for the agreed supply prior to the commencement of the delivery of such required supply.
- The Purchase Order above specifies the exact description including catalogue numbers and unit pricing as in this contract as well as the quantity, date of the required delivery and location of the delivery.

18. **Delivery Verification**

NRF representative verifies both delivery and performance prior to signing a certificate of delivery / installation / progress milestone / commissioning evidencing such performance.

The Contractor must ensure such signed approved verification accompanies the subsequent supplier invoice. Supply Performance Management NRF representative measures the performance of the supplier in terms of the levels set in the procurement invitation. Poor performance is managed with the supplier as per the general clauses section. Penalties are applied for poor performance

19. **PREFERENCE POINTS CLAIMED (SBD 6.1)**

22. CERTIFICATE OF INDEPENDENT BID DETERMINATION (SBD 9)

I, the undersigned, in submitting this Bid in response to the invitation for the Bid made by the NATIONAL RESEARCH FOUNDATION, do hereby make the following statements that I certify to be true and complete in every respect:

<table>
<thead>
<tr>
<th>Statement</th>
<th>Yes</th>
<th>No</th>

<tbody>
<tr>
<td>I have read and I understand the contents of this Certificate;</td>
<td></td>
<td></td>
</tr>
<tr>
<td>I understand that the Bid will be disqualified if this Certificate is found not to be true and complete in every respect;</td>
<td></td>
<td></td>
</tr>
<tr>
<td>I am authorised by the Bidder to sign this Certificate, and to submit the Bid, on behalf of the Bidder;</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Each person whose signature appears on the Bid has been authorised by the Bidder to determine the terms of, and to sign, the Bid on behalf of the Bidder;</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
For the purposes of this Certificate and the accompanying Bid, I understand that the word “competitor” shall include any individual or organisation, other than the Bidder, whether or not affiliated with the Bidder, who:

a) Has been requested to submit a Bid in response to this Bid invitation;

b) Could potentially submit a Bid in response to this Bid invitation, based on their qualifications, abilities or experience; and

c) Provides the same goods and services as the Bidder and/or is in the same line of business as the Bidder

The Bidder has arrived at the accompanying Bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium will not be construed as collusive bidding.

In particular, without limiting the generality of paragraphs above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:

a) Prices;

b) Geographical area where product or service will be rendered (market allocation);

c) Methods, factors or formulas used to calculate prices;

d) The intention or decision to submit or not to submit, a Bid;

e) The submission of a Bid which does not meet the specifications and conditions of the Bid; or

f) Bidding with the intention not to win the Bid.

In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this Bid invitation relates.

The terms of this Bid have not been, and will not be, disclosed by the Bidder, directly or indirectly, to any competitor, prior to the date and time of the official Bid opening or of the awarding of the contract.

I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to Bids and contracts, Bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of Section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.
Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

23. **BID SUBMISSION CERTIFICATE FORM - (SBD 1)**

I hereby undertake to supply all or any of the goods, works and services described in this procurement invitation to the **NATIONAL RESEARCH FOUNDATION** in accordance with the requirements and specifications stipulated in this Procurement Invitation document at the price/s quoted.

My offer remains binding upon me and open for acceptance by the **NATIONAL RESEARCH FOUNDATION** during the validity period indicated and calculated from the closing time of Procurement Invitation.

The following documents are deemed to form and be read and construed as part of this offer / bid even where integrated in this document:

24.5 **COLLUSION, FRAUD AND CORRUPTION**

Any effort by Bidder/s to influence evaluation, comparisons or award decisions in any manner may result in the rejection of the bidder concerned.

24.6 **CONFIDENTIALITY**

The successful Bidder agrees to sign a general confidentiality agreement with the NRF.

24.7 **VALIDATION OF SUBMITTED DOCUMENTATION**

The NRF has the right to have any documentation submitted by the Bidders inspected by another technical body or organisation.

24.8 **PRESENTATIONS AND PROOF OF FUNCTIONALITY**

The NRF has the right to call interviews/presentations/pitching sessions as well as proof of functionality sessions with short-listed service providers before the final selection.

24.9 **INFORMATION PROVIDED IN THE PROCUREMENT INVITATION**

All information contained in this document is solely for the purposes of assisting Bidders to prepare
their Bids. Any use of the information contained herein for other purpose than those stated in this document is prohibited.

24.10 INTELLECTUAL PROPERTY PROVIDED IN THE BID INVITATION

The ownership and intellectual property rights of all designs, specifications, programming code and all other documentation provided by the NRF to the Bidder, both successful and unsuccessful, remain the property of the NRF.

24.11 INTELLECTUAL PROPERTY CONTAINED IN THE DELIVERABLES

The ownership and intellectual property rights of all designs, specifications, programming code and all other documentation required as part of the delivery to the NRF reside with the NRF.
25. **DEFINITIONS**

The following terms shall be interpreted as indicated:

“Closing time” means the date and hour specified in the bidding documents for the receipt of bids.

“Contract” means the written agreement entered into between the purchaser and the supplier, as recorded in the contract form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.

“Contract price” means the price payable to the supplier under the contract for the full and proper performance of his contractual obligations.

“Corrupt practice” means the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution.

"Countervailing duties" are imposed in cases where an enterprise abroad is subsidized by its government and encouraged to market its products internationally.

“Country of origin” means the place where the goods were mined, grown or produced or from which the services are supplied. Goods are produced when, through manufacturing, processing or substantial and major assembly of components, a commercially recognized new product results that is substantially different in basic characteristics or in purpose or utility from its components.

“Day” means calendar day.

“Delivery” means delivery in compliance of the conditions of the contract or order.

“Delivery ex stock” means immediate delivery directly from stock actually on hand.

“Delivery into consignees store or to his site” means delivered and unloaded in the specified store or depot or on the specified site in compliance with the conditions of the contract or order, the supplier bearing all risks and charges involved until the supplies are so delivered and a valid receipt is obtained.

"Dumping" occurs when a private enterprise abroad market its goods on own initiative in the RSA at lower prices than that of the country of origin and which have the potential to harm the local industries in the RSA.

"Force majeure" means an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable. Such events may include, but is not restricted to, acts of the purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.

“Fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of any bidder, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the bidder of the benefits of free and open competition.

“GCC” means the General Conditions of Contract.
“Goods” means all of the equipment, machinery, and/or other materials that the supplier is required to supply to the purchaser under the contract.

“Imported content” means that portion of the bidding price represented by the cost of components, parts or materials which have been or are still to be imported (whether by the supplier or his subcontractors) and which costs are inclusive of the costs abroad, plus freight and other direct importation costs such as landing costs, dock dues, import duty, sales duty or other similar tax or duty at the South African place of entry as well as transportation and handling charges to the factory in the Republic where the supplies covered by the bid will be manufactured.

“Local content” means that portion of the bidding price which is not included in the imported content provided that local manufacture does take place.

“Manufacture” means the production of products in a factory using labour, materials, components and machinery and includes other related value-adding activities.

“Order” means an official written order issued for the supply of goods or works or the rendering of a service.

“PIC/S” PIC/S is an informal co-operative arrangement between Regulatory Authorities in the field of Good Manufacturing Practice (GMP) of medicinal products for human or veterinary use. PIC/S aims at harmonising inspection procedures worldwide by developing common standards in the field of GMP. The ICH Q7 guideline is specifically for the manufacturing of active pharmaceutical ingredients.

“Project site,” where applicable, means the place indicated in bidding documents.

“Purchaser” means the organization purchasing the goods.

“Republic” means the Republic of South Africa. 1.23 “THIS PROCUREMENT INVITATION” means the Special Conditions of Contract.

“Services” means those functional services ancillary to the supply of the goods, such as transportation and any other incidental services, such as installation, commissioning, provision of technical assistance, training, catering, gardening, security, maintenance and other such obligations of the supplier covered under the contract.

“Written” or “in writing” means handwritten in ink or any form of electronic or mechanical writing.

26. Application

These general conditions are applicable to all bids, contracts and orders including bids for functional and professional services, sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.

Where applicable, special conditions of contract are also laid down to cover specific supplies, services or works.
Where such special conditions of contract are in conflict with these general conditions, the special conditions shall apply.

27. **General**

Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a non-refundable fee for documents may be charged.

With certain exceptions, invitations to bid are only published in the Government Tender Bulletin. The Government Tender Bulletin may be obtained directly from the Government Printer, Private Bag X85, Pretoria 0001, or accessed electronically from www.treasury.gov.za

28. **Standards**

The goods supplied shall conform to the standards mentioned in the bidding documents and specifications.

29. **Use of contract documents and information; inspection**

The supplier shall not, without the purchaser’s prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the purchaser in connection therewith, to any person other than a person employed by the supplier in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.

The supplier shall not, without the purchaser’s prior written consent, make use of any document or information mentioned in GCC clause 5.1 except for purposes of performing the contract.

Any document, other than the contract itself mentioned in GCC clause 5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the supplier’s performance under the contract if so required by the purchaser.

The supplier shall permit the purchaser to inspect the supplier’s records relating to the performance of the supplier and to have them audited by auditors appointed by the purchaser, if so required by the purchaser.

30. **Patent rights**

The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof by the purchaser.
31. **Performance security**

Within thirty (30) days of receipt of the notification of contract award, the successful bidder shall furnish to the purchaser the performance security of the amount specified in the THIS PROCUREMENT INVITATION.

The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier’s failure to complete his obligations under the contract.

The performance security shall be denominated in the currency of the contract, or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms:

(a) bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser’s country or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or

(b) a cashier’s or certified cheque

The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier’s performance obligations under the contract, including any warranty obligations, unless otherwise specified in THIS PROCUREMENT INVITATION.

32. **Inspections, tests and analyses**

All pre-bidding testing will be for the account of the bidder.

If it is a bid condition that supplies to be produced or services to be rendered should at any stage during production or execution or on completion be subject to inspection, the premises of the bidder or contractor shall be open, at all reasonable hours, for inspection by a representative of the Department or an organization acting on behalf of the Department.

If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.

If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the supplies to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.

Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.

Supplies and services which are referred to in clauses 8.2 and 8.3 and which do not comply
with the contract requirements may be rejected.

Any contract supplies may on or after delivery be inspected, tested or analyzed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with supplies which do comply with the requirements of the contract. Failing such removal the rejected supplies shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute supplies forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected supplies, purchase such supplies as may be necessary at the expense of the supplier.

The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 23 of GCC.

33. **Packing**

The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing, case size and weights shall take into consideration, where appropriate, the remoteness of the goods’ final destination and the absence of heavy handling facilities at all points in transit.

The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, specified in THIS PROCUREMENT INVITATION, and in any subsequent instructions ordered by the purchaser.

34. **Delivery and documents**

Delivery of the goods shall be made by the supplier in accordance with the terms specified in the contract. The details of shipping and/or other documents to be furnished by the supplier are specified in THIS PROCUREMENT INVITATION.

Documents to be submitted by the supplier are specified in THIS PROCUREMENT INVITATION.

35. **Insurance**

The goods supplied under the contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the THIS PROCUREMENT INVITATION.
36. Transportation

Should a price other than an all-inclusive delivered price be required, this shall be specified in the THIS PROCUREMENT INVITATION.

37. Incidental services

The supplier may be required to provide any or all of the following services, including additional services, if any, specified in THIS PROCUREMENT INVITATION:

(a) performance or supervision of on-site assembly and/or commissioning of the supplied goods;
(b) furnishing of tools required for assembly and/or maintenance of the supplied goods;
(c) furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods;
(d) performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the supplier of any warranty obligations under this contract; and
(e) training of the purchaser's personnel, at the supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied goods.

Prices charged by the supplier for incidental services, if not included in the contract price for the goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services.

38. Spare parts

As specified in THIS PROCUREMENT INVITATION, the supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the supplier:

(a) such spare parts as the purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and

(b) in the event of termination of production of the spare parts:
   (i) advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and
   (ii) following such termination, furnishing at no cost to the purchaser, the blueprints, drawings, and specifications of the spare parts, if requested.

39. Warranty

The supplier warrants that the goods supplied under the contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that all goods
supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser’s specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.

This warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise in THIS PROCUREMENT INVITATION.

The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.

Upon receipt of such notice, the supplier shall, within the period specified in THIS PROCUREMENT INVITATION and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the purchaser.

If the supplier, having been notified, fails to remedy the defect(s) within the period specified in THIS PROCUREMENT INVITATION, the purchaser may proceed to take such remedial action as may be necessary, at the supplier’s risk and expense and without prejudice to any other rights which the purchaser may have against the supplier under the contract.

40. **Payment**

The method and conditions of payment to be made to the supplier under this contract shall be specified in THIS PROCUREMENT INVITATION.

The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfilment of other obligations stipulated in the contract.

Payments shall be made promptly by the purchaser, but in no case later than thirty (30) days after submission of an invoice or claim by the supplier.

Payment will be made in Rand unless otherwise stipulated in THIS PROCUREMENT INVITATION

41. **Prices**

Prices charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorized in THIS PROCUREMENT INVITATION or in the purchaser’s request for id validity extension, as the case may be.
42. **Contract amendments**

1.1. No variation in or modification of the terms of the contract shall be made except by written amendment signed by the parties concerned.

43. **Assignment**

The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.

44. **Subcontracts**

The supplier shall notify the purchaser in writing of all subcontracts awarded under this contracts if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract.

45. **Delays in the supplier's performance**

Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.

If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.

No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or a local authority.

The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily available.

Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of penalties.

Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without cancelling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract.
and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.

46. Penalties

Subject to GCC Clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23.

47. Termination for default

The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:

(a) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;

(b) if the Supplier fails to perform any other obligation(s) under the contract; or

(c) if the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.

Where the purchaser terminates the contract in whole or in part, the purchaser may decide to impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period not exceeding 10 years.

If a purchaser intends imposing a restriction on a supplier or any person associated with the supplier, the supplier will be allowed a time period of not more than fourteen (14) days to provide reasons why the envisaged restriction should not be imposed. Should the supplier fail to respond within the stipulated fourteen (14) days the purchaser may regard the intended penalty as not objected against and may impose it on the supplier.

Any restriction imposed on any person by the Accounting Officer / Authority will, at the discretion of the Accounting Officer / Authority, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may
exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the Accounting Officer / Authority actively associated.

If a restriction is imposed, the purchaser must, within five (5) working days of such imposition, furnish the National Treasury, with the following information:

(a) the name and address of the supplier and / or person restricted by the purchaser;
(b) the date of commencement of the restriction
(c) the period of restriction; and
(d) the reasons for the restriction.

These details will be loaded in the National Treasury’s central database of suppliers or persons prohibited from doing business with the public sector.

If a court of law convicts a person of an offence as contemplated in sections 12 or 13 of the Prevention and Combating of Corrupt Activities Act, No. 12 of 2004, the court may also rule that such person’s name be endorsed on the Register for Tender Defaulters. When a person’s name has been endorsed on the Register, the person will be prohibited from doing business with the public sector for a period not less than five years and not more than 10 years. The National Treasury is empowered to determine the period of restriction and each case will be dealt with on its own merits. According to section 32 of the Act the Register must be open to the public. The Register can be perused on the National Treasury website.

48. Anti-dumping and countervailing duties and rights

When, after the date of bid, provisional payments are required, or antidumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favourable difference shall on demand be paid forthwith by the contractor to the State or the State may deduct such amounts from moneys (if any) which may otherwise be due to the contractor in regard to supplies or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which may be due to him.

49. Force Majeure

Notwithstanding the provisions of GCC Clauses 22 and 23, the supplier shall not be liable for forfeiture of its performance security, damages, or termination for default if and to the extent
that his delay in performance or other failure to perform his obligations under the contract is the result of an event of force majeure.

If a force majeure situation arises, the supplier shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event.

50. Termination for insolvency

The purchaser may at any time terminate the contract by giving written notice to the supplier if the supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the purchaser.

51. Settlement of disputes

If any dispute or difference of any kind whatsoever arises between the purchaser and the supplier in connection with or arising out of the contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.

If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the purchaser or the supplier may give notice to the other party of his intention to commence with mediation. No mediation in respect of this matter may be commenced unless such notice is given to the other party.

Should it not be possible to settle a dispute by means of mediation, it may be settled in a South African court of law.

Mediation proceedings shall be conducted in accordance with the rules of procedure specified in the THIS PROCUREMENT INVITATION.

Notwithstanding any reference to mediation and/or court proceedings herein,

(a) the parties shall continue to perform their respective obligations under the contract unless they otherwise agree; and

(b) the purchaser shall pay the supplier any monies due the supplier.

52. Limitation of liability

Except in cases of criminal negligence or wilful misconduct, and in the case of infringement pursuant to Clause 6;

(a) the supplier shall not be liable to the purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or
interest costs, provided that this exclusion shall not apply to any obligation of the supplier to pay penalties and/or damages to the purchaser;

(b) the aggregate liability of the supplier to the purchaser, whether under the contract, in tort or otherwise, shall not exceed the total contract price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment.

53. **Governing language**

The contract shall be written in English. All correspondence and other documents pertaining to the contract that is exchanged by the parties shall also be written in English.

54. **Applicable law**

The contract shall be interpreted in accordance with South African laws, unless otherwise specified in THIS PROCUREMENT INVITATION.

55. **Notices**

Every written acceptance of a bid shall be posted to the supplier concerned by registered or certified mail and any other notice to him shall be posted by ordinary mail to the address furnished in his bid or to the address notified later by him in writing and such posting shall be deemed to be proper service of such notice.

The time mentioned in the contract documents for performing any act after such aforesaid notice has been given, shall be reckoned from the date of posting of such notice.

56. **Taxes and duties**

A foreign supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside the purchaser’s country.

A local supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted goods to the purchaser.

No contract shall be concluded with any bidder whose tax matters are not in order. Prior to the award of a bid the Department must be in possession of a tax clearance certificate, submitted by the bidder. This certificate must be an original issued by the South African Revenue Services.

57. **National Industrial Participation (NIP) Program**

33.1 The NIP Programme administered by the Department of Trade and Industry shall be applicable to all contracts that are subject to the NIP obligation.
58. **Prohibition of restrictive practices**

In terms of section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, an agreement between, or concerted practice by, firms, or a decision by an association of firms, is prohibited if it is between parties in a horizontal relationship and if a bidder (s) is / are or a contractor(s) was / were involved in collusive bidding (or bid rigging).

If a bidder(s) or contractor(s), based on reasonable grounds or evidence obtained by the purchaser, has / have engaged in the restrictive practice referred to above, the purchaser may refer the matter to the Competition Commission for investigation and possible imposition of administrative penalties as contemplated in the Competition Act No. 89 of 1998.

If a bidder(s) or contractor(s), has / have been found guilty by the Competition Commission of the restrictive practice referred to above, the purchaser may, in addition and without prejudice to any other remedy provided for, invalidate the bid(s) for such item(s) offered, and / or terminate the contract in whole or part, and / or restrict the bidder(s) or contractor(s) from conducting business with the public sector for a period not exceeding ten (10) years and / or claim damages from the bidder(s) or contractor(s) concern.
